NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,

Admiralty,

London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive; otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.

Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of an Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

W. GRAHAM GREENE.

LIST OF SHIPS AND VESSELS OF THE ROYAL NAVY, WITH THEIR OFFICERS AND PRESENT STATIONS.

Note.—In consequence of the large number of alterations in the Navy List it has not been possible to arrange Officers in order of seniority under their ranks as usual.

The following are shown in separate lists :—

	PAGE
<i>Fleet Auxiliaries, also Small Steam Vessels, Tugs, etc., employed on Harbour Service</i>	403
<i>Vessels available for Subsidiary Services, Hulks, and Vessels for sale</i>	410
<i>Harbour Service</i>	418
<i>R.N.R. Merchant Cruisers</i>	422
<i>Coast Guard Cruisers</i>	430

The Ships are arranged alphabetically. The numbering has no reference to the number of Ships on the List of the Royal Navy, being used only to indicate where Officers are serving.

The armament given excludes Field Guns, Machine Guns and Torpedoes.

The Tons represent the Displacement Tonnage.

S. denotes Single Screw.

P. " Paddle Wheel.

I.H.P. " Indicated Horse Power.

N.D. " Natural Draught.

F.D. denotes Forced Draught.

(Po) " Manning Port, Portsmouth.

(Ch) " " " Chatham.

(Dev) " " " Devonport.

All Officers whose names are in italics are borne as supernumeraries or additional.

(G) against an officer's name denotes that he is borne for Gunnery duties.

(T) that he is borne for Torpedo duties.

(N) that he is borne for Navigating duties.

(S) that he is specially qualified in Signalling Duties and is performing such duties, and

(I) that he is paid as Interpreter.

In the cases where two dates are shown against the name of a Marine Officer, the date in brackets is that from which his present sea time commenced.

807-8 HALF AND RETIRED PAY OF THE ROYAL NAVY.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

For every complete six months' service abroad. One week
For every month served beyond the last period of six months. One day
This scale to extend to a period of five years' absence from England.

All such Officers holding appointments in His Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1913 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by an such Officer who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August, 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the

foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been found to be unworthy of further employment.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Commissioned Warrant Officers, Warrant Officers and Divisional and other Chief Officers of Coast Guard on shore in such cases as may be for their advantage may be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

All Commissioned Warrant Officers and Warrant Officers who have been dismissed from His Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy. In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1838 of the King's Regulations.

The Pensions of Commissioned Warrant Officers and Warrant Officers will be held only during good behaviour.

The case of a Chief or other Officer of Coast Guard Cruisers, who may sustain a wound or injury on duty, will be specially considered.

CHIEF AND HEAD SCHOOLMASTERS

1. Retiring Pensions shall be awarded to Chief and Head Schoolmasters under the following regulations:—

NOTE.—For *Tables of Full, Half, and Retired Pay, and Gratuities*, see pp. 773, 793.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commu-

tation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(e) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (a) may be awarded gratuities not exceeding 25% for each year's service in these ranks, or 250% in all.

(f) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100% per annum.

(g) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(h) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Sub-ordinate Officers of all ranks.

RETIREMENT, etc.

General Regulations.

18. An Officer shall not be permitted to remain in the Royal Marines unless during the first three years of his service his retention therein is shown to be in every respect desirable.

19. An Officer shall not have any claim to the half-pay retired pay, or gratuity established for Officers of his rank or service unless the Admiralty is satisfied with the manner in which he has performed his duties.

20. Officers of Royal Marines who shall be placed on Half Pay are to be borne on a Supplementary List while on Half Pay, and the vacancies thus created on the Active List shall be filled.

Officers placed on the Supplementary Half Pay List are not to be replaced on Full Pay until vacancies occur on the Establishment.

21. Any Officer shall be liable to removal from the Active List at any time for misconduct or incapacity, and, if so removed, he shall receive a retiring allowance or gratuity calculated upon the normal amount earned by service subject to a deduction of not less than 10 per cent. or more than 25 per cent. according to the nature of the misconduct.

22. The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his full, half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited in cases where the full, half, and retired pay and gratuity depend upon actual service.

23. An Officer placed upon the retired list is in no case to be replaced on the Active List.

24. An Officer dismissed the Service by sentence of Court-Martial for misconduct, or allowed to resign his commission to avoid trial by Court-Martial, may, at the discretion of the Admiralty, be granted a compassionate allowance provided that such allowances shall in no case exceed one third of the amount of half-pay to which the Officer was entitled at the time of removal, and provided also that such allowance shall not in any case exceed £1 per annum.

25. All service for the purposes of gratuity pension and retirements to count from the age of 18 (Prior to the issue of Order-in-Council of 29th November 1881, the age was 20, except in the case of Officers who entered the service prior to 1st April 1870, and who, under Order-in-Council of 5th of February 1872, retained the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18).

26. An Officer retired may, at his own request and with the consent of the Admiralty, compound his rights under the rules laid down by the Lords Commissioners of His Majesty's Treasury for Administering Act 32 and 33 Vict., cap. 32.

No pension, except a pension for wounds, can be compounded.

Compulsory Retirement.

27. General Officers to be retired at the age of 65.

28. Colonels Commandant to be retired at the age of 60 or on expiration of command, except as provided in clauses 29a, 29b, and 29c.

29a. A Colonel on the Reserved List to be eligible up to the age of 65 for the appointment of Deputy Adjutant General, Royal Marines, but to have the option of retiring at any age with the Honorary rank of Major-General. If selected for the appointment to be granted the temporary rank of Major-General.

29b. A Colonel Commandant to be eligible for a General Officer's Good Service Pension on transfer to the Reserved List, but to relinquish the Colonel's Good Service Pension or the appointment of Aide-de-Camp to the King if he holds that appointment.

30. Colonels Second Commandant to be retired at the age of 60. A Colonel Second Commandant passed over for appointment to the command of a Division may be retired at the discretion of the Admiralty.

31. Lieutenant-Colonels to be retired at the age of 54 or after six years' service in that rank. A Lieutenant-Colonel with six years' service in that rank may, however, at his option, be placed upon a special half pay list and be eligible for promotion and employment on the staff up to the age of 54.

32. Majors to be retired at the age of 48. A Major who is specially intended in the interests of the Service for Lieutenant-Colonel's rank and command, may be retained on the list of Majors, beyond the age of 48, for such period as the Admiralty may consider desirable.

33. Captains who have not passed the examination for Major to be retired at the age of 42. The case of a Captain who may be prevented from passing by illness or other unavoidable cause will be specially considered.

34. Paymasters and Barrack Masters to be retired at the age of 54.

Voluntary Retirement.

35. Voluntary retirement to be allowed, at the discretion of the Admiralty, after the service or at the age laid down at page 805.

Retirement for Physical Unfitness.

36. An Officer, above the rank of Captain, who is found by a medical board to be permanently incapacitated for further service in, if his service entitles him to retired pay on voluntary retirement, to be at once placed upon the retired list, receiving retired pay, as laid down at pages 805 and 806.

(Extract from Order in Council of 25th January, 1878.)

37. "Officers incapacitated by illness, &c., after only short service to be granted instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal Warrant, viz.:-

"An Officer who may become unfit for service in consequence of wounds received in action, or of illness contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half-pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission

in Our Marine Forces for three years, unless he shall have been promoted from the rank when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age."

(*Extract from Order in Council of 30th November, 1882.*)
 38.-(a) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half-pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

"Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause.

Except in the case of wounds or injuries received on duty, the officer must be of three years' seniority in the Royal Marines.

(b) An Officer, after remaining not less than one year on half-pay, if reported by the Medical Director General to be permanently unfit for further service, may be placed on the retired list, with retired pay according to the scale laid down at page 806, provided he has been upon full pay for a total period of five years in the case of an Officer whose disability has been incurred in and by the Service, and of 12 years in other cases.

(c) An Officer, who entered the Service before 1st April, 1870, shall be allowed the rate of retired pay less than that which would have been granted to him under the Orders in Council of 22nd February, 1870, and 5th February, 1872; and an Officer who entered after 1st April, 1870, but before 1st July, 1881, may, at the discretion of the Admiralty be granted a retired allowance under the conditions contained in paragraphs 12 and 13 of the Order in Council of 15th January, 1878.

Retired Rank.

39. An Officer retiring on retired pay or gratuity may, provided he has completed 20 years' service, be granted honorary promotion to the rank next above that held by him.

N.B.—By A. L. N. 1554 of 12 June, 1881, this honorary promotion is confined to Colonels Commandant.

Good Service Pension.

40. An Officer who has held a Good Service Pension while serving as Adjutant General and whose half or retired pay, together with the Good Service Pension, would amount to more than 950*l.* a year, is to relinquish the Good Service Pension on vacating the appointment, and half or retired pay of 950*l.* a year, is to be awarded to him.

41. An Officer who has not been in receipt of a Good Service Pension while serving as Adjutant General, and whose half or retired pay after vacating the appointment falls short of 950*l.* a year, is to be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of 2050*l.* a year, a reduction is to be made in the half or retired pay proportionate to such excess.

42. Lieutenant-Colonels and Colonels of Marines to be allowed to receive in retired pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year, relinquishing the Good Service Pension.

NOTE.—This does not apply to Colonels Commandant.

43. An Officer retired from the position of Colonel Commandant is to be eligible for the Good Service Pension of a General Officer.

The widow and children of such an Officer may, subject to general regulations, receive pension and compassionate allowances at the rates provided for widows and children of General Officers.

43a. A Colonel Commandant placed on the Reserved List of Colonels under Order in Council of 10th August, 1908, will relinquish the Colonel's Good Service Pension, but will be eligible for the General Officer's Good Service Pension.

Special Provision.

44. The regulations contained in Order in Council of 29th November, 1891, are to be applicable to Officers who entered the Service before the 1st April, 1870, but no such Officer is to receive less retired pay on retirement than he would have claimed under the Orders in Council of 22nd February, 1870, and 5th February, 1872.

Quartermasters.

45. To be retired at the age of 55 or if physically unfit for further service.

46. At the discretion of the Admiralty, to be retired on completion of 10, 15, or 20 years' service as Quartermaster. Retirement is to be optional after 20 years' service (counting service in the ranks, or as Warrant Officer as half-service), of which 10 years have been served as Quartermaster.

47. At the discretion of the Admiralty, a Quartermaster may be granted a step of honorary rank on retirement, provided he has completed 20 years' service.

Warrant Officers.

48. The following appointments will be held by Warrant Officers:—

Sergeant-Major.

Superintendent Clerk, Marine Office.

Trained Bandmaster.

Superintending Clerk, Commandant's Office.

Superintending Clerk, Paymaster's Office.

Schoolmaster, after 12 years' service as such.

A Marine is not as a rule eligible for appointment as Warrant Officer if below the rank of Sergeant, or over 40 years of age; but in cases deserving of special consideration the Lords Commissioners of the Admiralty have power to extend the limit of age for promotion to Warrant rank to 45 years of age (Order in Council 11th August, 1884).

49. To be retired at the age of 55, or if physically unfit for further service, and to be retired at an earlier age should it be deemed expedient.

50. A Warrant Officer is not to be granted an annuity for meritorious service and distinguished conduct, nor a medal or gratuity for long service and good conduct; but he may retain an annuity he has been granted before promotion for distinguished and meritorious conduct, or for conspicuous gallantry in action; and he may keep and wear his medal for long service and good conduct. He may also receive a special pension with the Victoria Cross.

51. Bandmasters with previous service in the Royal Navy who have been transferred to the Royal Marines for service as Bandmasters in His Majesty's Fleet, may, at the discretion of the Admiralty, be exempted from the operation of the general limits of age for promotion to Marine Warrant rank.

52. Bandmasters R.M. and Divisional Bandmasters Royal Marines may, at the discretion of the Admiralty, be exempted from the Marine rule as to retirement for age, and be retained in their appointments. The retention in the case of Bandmasters R.M. is to be for a limited period, not in any case to exceed 5 years, nor necessitating their retention beyond the age of 60.

Commissioned Bandmasters.

53. To be designated "Musical Director." The number of Musical Directors, R.M., is fixed at 2, exclusive of the Musical Director of the R. N. School of Music to whom these provisions do not apply.

54. Musical Directors on promotion to that rank to be granted the honorary rank of Lieutenant. The honorary rank of Captain may be given after 10 years' commissioned service on full pay. The honorary rank of Major may be given after 15 years' commissioned service on full pay.

56. Pay, allowances, Retired Pay, Widow's Pension, and Compassionate Allowances to children to be on the same scale as for Regimental Quartermasters. Previous service in the rank of 2nd Lieutenant to count towards increase of Full and Retired Pay on the Quartermasters' scale.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her late Majesty, by Her Order in Council of 25th June, 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 29, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:-

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, as present on the Active List, who may be retired under these Regulations will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . . 31

(But not to be more than three Admirals of the Fleet at one time.)

Vice-Admirals 22

Rear-Admirals 42

Total

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Order in Council of 24th April 1847, provides:—

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*l.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*l.* 6*d.* per day to be given to applicants, by Seniority, from the 12*l.* 6*d.* and 10*l.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 12*l.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851

The Number of Captains on the Active List, will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.:-

1st, as vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, the Sovereign's undoubted right of selection. Those Captains will rise to their Flags, who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60 without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*l.* 6*d.* Half-pay List when retired, 12*l.* per diem

If on 12*l.* 6*d.* 20*l.*

If on 14*l.* 6*d.* 21*l.*

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*l.* per diem. Captains now on the 14*l.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired	18s. per diem
If on the 12s. 6d. " " "	" " "
If on the 14s. 6d. " " "	20s. " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag

List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by the Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 451.

3. By placing on reserved half-pay all Commanders who have not served afloat or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This act was abolished in May, 1863.*)

1856.

That the List of Captains on the Reserved List established by Order in Council of 25th of June 1851 be

increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 300. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

The front plate of the helmet is for use on all occasions when the helmet is worn, except on active service, when the plate will be removed at the discretion of the Senior Officer. The metal ball is to be worn when serving on shore at home. The white zinc mushroom top is for use on all stations whilst serving afloat; this top may, however, be replaced by the metal ball for men serving on Guards of Honour to Royal Personages, or on other special occasions at the discretion of the Commander-in-Chief or senior Officer, and will be replaced by metal ball when landed for duty at home, e.g., funerals and ceremonial occasions. The buckle of leather chin strap is worn on right cheek and the strap is always worn on duty, but not on leave or by working parties or postmen unless specially ordered. When the helmet is worn, the cap may be packed in the canvas bag, kit bag or pack, or carried in the haversack, as ordered.

4. *Cap covers* will be worn afloat whenever Seamen are wearing cap covers; at home, from 1st May to 30th September, inclusive.

5. *Equipment.*—The buff belt (and frog) will be used for all ceremonial occasions, leave, guards on board, and piquets from ships; when the buff pouch is worn, it will be in centre of back for ceremonial and drill, and on right side when ammunition is carried.

6. *Great coats.*—The waist belt will be worn underneath the great coat when off duty and when walking out.

7. *Leggings* are only worn for landing when specially ordered. See Note 14.

8. *Gloves* are to be worn in winter months on duties not under arms, and off duty when walking out till sunset.

9. *Mourning.*—If men, for private reasons, are desirous of wearing mourning, they may cover the third button of tunic or second of frock with crape.

10. *Sergeants' Sashes* will be worn in No. 1 and No. 6 dress and orderly duty, and in walking-out dress; they will not be worn outside the great coat. Sergeants' sashes and gold chevrons are not to be worn by Lance-Sergeants, R.M.L.I.

11. *Whistles* are to be carried by Sergeants, Corporals, and Bombardiers, in Marching Order, Infantry Drills and Manœuvres.

12. *GUARDS AND SENTRIES AFLOAT.*—(a) *Guards of Honour and when Royal Salutes are to be given (without regard to the dress of the day).*—No. 1 or No. 6. (b) *Ordinary Guards on other occasions.*—No. 3, No. 8 or No. 6 (or the dress of the day when that is No. 1, No. 2, or No. 7). *Sunday Routine.*—See note 17. (c) *At Sea or between decks.*—No. 8 or No. 6, with side arms (except in dynamo flats). (d) *Sentries when coaling Ship.*—No. 8 or 9 with side arms.

13. *Band.*—The musicians' dress will correspond to that worn by other Marines and be similar to the Guard when parading with them. The cross belt and pouch will always be worn when landed for drill, parading with guard, or No. 1 or No. 6 dress when on duty.

14. *Naval Piquets or Patrols.*—No. 2, with leggings, frogs, etc., as ordered for Seamen, without side arms.

15. *W.R.O. Servants* when sent on shore on duty for their masters are to wear the dress specially laid down for Marine Servants, page 847.

16. *Liberty Men.*—Caps will be worn for walking out in temperate climates. At home, No. 2 dress (or second tunics) may be worn for week end leave. The greatcoat may be worn in wet or cold weather. Short canes are to be carried when walking out. Bundles are not to be carried in the streets; when it is necessary to take a few things on shore, the haversack, kit bag or pack may be utilised, or a small neat paper parcel be carried.

17. *Sunday Routine.*—When in cloth clothing, serge tunics may be worn at the conclusion of Divine Service, except Guards and Dutymen, who remain in the dress of the day till sunset.

18. *Postmen* are to be properly dressed in No. 3, 6, or 8 dress without belts. (Home Naval Ports No. 2 dress.) It is permissible to wear black oilskins in bad weather.

NOTES TO DRESS REGULATIONS FOR SHIPS' COMPANIES.

1. By the word **collar** in seamen's dress is to be understood the detached blue jean collar.

2. **Neck-handkerchiefs** are always to be worn except by men employed coaling or re-fitting. They are to be tied behind the collar, the right in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a taut about 3 inches long. The handkerchief should thus be firmly secured to the jumper.

3. **Knife lanyards** with knives attached are to be worn by all men wearing seamen's dress.

4. **Caps** are always to be worn, except as shown in paragraph 5.

5. In ships in harbour and shore establishments **hats** are to be worn: (a) with blue clothing during the summer season, weather permitting, on occasions of ceremony, and on Sundays as ordered by Senior Officer present; (b) always with No. 6 dress; (c) at any time as a protection from the sun, if ordered by the Senior Officer present.

Hats are not to be worn at sea, unless specially ordered as a protection against the sun.

Both hats and caps are to be worn square on the head.

6. **White caps or cap covers** are to be worn with white clothing. They are also to be worn with blue clothing.

(a) At home. From 1st May to 30th September inclusive;

(b) Abroad. At the discretion of the Senior Naval Officer present.

7. **Ribbons on hats and caps** are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be of equal length, not exceeding 2 inches in length.

8. **Jerseys** are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [In England, when once commenced, jerseys should be continued to be worn until about the beginning of April.] *

9. **Comforters** may be worn in exceptionally cold and raw weather and during night watches when blue worsted gloves and mitts may be worn. In the daytime comforters are only to be worn when specially ordered, except that individuals may be permitted to wear them temporarily on the Medical Officers' recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, the ends being tucked inside the jumper and trousers.

10. **Overcoats** may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

Coastguard men who are in possession of flushing jackets may continue to wear them in lieu of overcoats until worn-out.

11. All jumpers are to be cut down 11 inches, the tapes being rove through a becket 1 inch up from bottom of opening.

The junction of the sleeve with the body is to be at the point of the shoulder.

12. **Boots or shoes** are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board at the Captain's discretion.

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

† The patterns of jumpers hitherto in force may continue to be worn pending further orders.

13. **Cycling dress**.—Men cycling on duty are to wear the Service Brown gaiter (to be supplied to them on loan).

14. **Mourning**.—If men desire to wear mourning for private reasons, they are to be allowed to wear a band of black crape, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

On occasions of public mourning the men are not to be required to wear mourning.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instruction Rating etc., the badge already in his possession can easily be altered.

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1880 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1807, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1894. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £360. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., G.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about £800. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Staff Surgeon, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about £400. The interest of this sum is employed annually in providing a prize consisting of books, scientific instruments, etc., which is conferred on the Lieutenant R.N., qualifying for Engineering duty, who takes the first place at the Examination in Practical Engineering held on the completion of his original course of specialising in Engineering.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1888, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE

The Ryder Memorial Fund—founded in memory of the late Admiral of the Fleet, Sir Alfred Phillips, Ryder, K.C.B., who died on the 30th April, 1888—consists of a sum of about £100, invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a book or books, to be awarded to the Lieutenant who takes the first place in French at the annual examinations in foreign languages, a colloquial knowledge of the language being necessary to render a candidate eligible for the award of the prize.

The Ryder Prize may be withheld in any year if considered advisable.

PRIZES, TESTIMONIALS, &c.—*continued.*

THE COMMANDER EGERTON PRIZE.

This prize was founded in 1901 in memory of the late Commander Frederick Greville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting in the execution of his duty.

The dividends arising from a sum of £500 given by the Relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually, at the discretion of the Admiralty to the Officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery.

THE GRAHAM NAVAL HISTORY PRIZE.

This Prize was founded in 1909 by Lady Graham in memory of her husband, Admiral Sir William Graham, G.C.B., formerly Captain of H.M.S. "Britannia," Training Ship for Naval Cadets.

The interest on a sum of £252 Government Stock, held upon Trust by the Admiralty, is employed in providing a Prize for the Cadet of the 4th, 5th, or 6th Term at the Royal Naval College, Dartmouth, who obtains the highest place in a voluntary examination on a special book or period of Naval History.

The Prize consists of books, instruments, accounts or other articles selected by the successful competitor, subject to the discretion of the Captain of the College.

RONALD MEGAW MEMORIAL PRIZE.

This Prize was founded in 1906 in memory of Midshipman Ronald Megaw, who was killed accidentally on the 11th November, 1904, while at General Quarters on Board H.M.S. "Montagu."

The interest on a sum of £1,000, given by the Father, and held upon trust by the Admiralty, is employed in providing a prize, consisting of a Presentation Sword and its accoutrements, and selected books or instruments, to be awarded annually to the Sub-Lieutenant who obtains the highest place during the preceding year in the various examinations prescribed for Officers qualifying for the rank of Lieutenant.

THE OGILVY MEDAL.

This Medal was instituted in 1912 in memory of the late Captain Frederick Charles Ashley Ogilvy, R.N., who died on the 18th December, 1909, from typhoid fever, while in command of H.M.S. "Natal."

The dividends arising from a sum of about £240 given by Officers of His Majesty's Navy and also certain friends and relatives are employed in providing a medal, to be called "The Ogilvy Medal," which is awarded annually, at the discretion of the Admiralty, to the Officer who takes the first place in the examination to qualify for Torpedo Lieutenant. Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING
AT THE ROYAL NAVAL COLLEGES AT
OSBORNE AND DARTMOUTH, AND ON
BOARD THE TRAINING CRUISERS.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant.

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if de-

manded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 18 years and 8 months of age on the preceding - - - 1st December
Do. do. May do. - 1st April.
Do. do. September do. - 1st August.

6. All Candidates (except those being educated in the Colonies who have received special Colonial recommendations under para. 10), will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January examination before 1st October.

Do. May do. do 1st January
Do. September do. do 1st May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. The Qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May, 15th September, following respectively.

8. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any

* Candidates, however, who were unsuccessful under the old regulations may again present themselves under the new rule as to age which is stated in paragraph 5.

Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department. A Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

9. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation, and reproduction of the gist of a short passage twice read aloud to the Candidates.

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra. The meaning of algebraic symbols, substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4.) Geometry. The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

10. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

11. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years, of which two years will be at Osborne, and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

† NOTE.—Copies of the papers set at the examinations held in each year are printed by the Oxford and Cambridge Schools Examination Board, and may be obtained on application to the Secretary of the Admiralty free of charge. It should be noted, however, that the questions in papers set under these regulations will be slightly more advanced than those set prior to September 1913, in consequence of the age of entry being raised.

12. The following are the approximate dates for the beginning and the end of the three terms at the Colleges:—

At Osborne.

16th January to 8th April,
8th May to 30th July,
19th September to 17th December.

At Dartmouth.

16th January to 15th April,
8th May to 6th August,
19th September to 17th December.

The vacations at the Colleges are as follows:—

At Osborne.

Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.

Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. Forms of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible by such parents as desire to make application for the reduced scale.

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 1s. 9d. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches

the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £25 a year for so long as he remains an Acting Sub-Lieutenant with pay at the rate of 3s. 6d. a day.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outletters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—*The Commanding Officer, Royal Naval College,* or *"The Commanding Officer, H.M.S. ———,"* and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

28. The course of study includes the following subjects:—

- Mathematics, with Geometrical Drawing.
- Physics and Chemistry.
- Mechanics, and applied Mechanics, with laboratory work.
- Applied Electricity, with laboratory work.
- Engineering, with workshop practice and Mechanical Drawing.
- Seamanship, with Gunnery in the Training Cruiser.

* Parents abroad will however, be furnished with forms of application, prior to this selection if they so desire.

Navigation.

French or German.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class - 2 months.
For a Second Class - 1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class - 1 month.
For a Second Class - $\frac{1}{2}$ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

- (1) They fail to reach a satisfactory standard, or
- (2) Their conduct is unsatisfactory, or
- (3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

Admiralty, November, 1913.

Any new Sextant must be approved by the Captain of the College and must have the following qualifications:—

1. Strong frame and well finished in all respects, all loose fittings to be stamped with the number.

2. Radius not to be less than 6½ inches to middle of the graduation.

3. Are distinctly cut, and to read to 10 seconds up to at least 12° on, and 5° off, the arc, the vernier being divided three divisions to the right of the index.

7. Two shades for eyepieces of different intensities to be ground conical, to slip on, not screw.

8. Handle to be of good size.

9. Each Sextant must be accompanied by a Kew Certificate, Class A.

10. A button over the handle besides the usual checks for keeping the instrument in place when the lid is closed. Box to have recessed hooks for securing the lid, and a recessed handle.

11. No Sextants will be accepted in which the unsilvered portion of the horizon glass is absent, or the telescope so fitted as not to be entirely removable in one piece, and the horizon glass should have a minimum width of 1—1/8 inch.

12. The name of the owner to be on both Sextant and box.

Sextants possessing the necessary qualifications can be obtained from various makers.

A good 6½-inch instrument can be obtained for 7l. 10s.

Sextants presented to Cadets which have belonged to parents or others are not required to conform rigidly to the standard, provided they are of radius not less than that prescribed and are considered suitable by the Captain of the College, but no Sextant can be accepted unless accompanied by a Kew Certificate Class A.

REGULATIONS FOR THE ENTRY INTO THE R.N. COLLEGE AT DARTMOUTH OF CADETS FROM THE "CONWAY."

1. Six nominations to cadetships in the Royal Naval College, Dartmouth, will be granted annually to the "Conway," training ship of the Mercantile Marine.

2. Shortly before the end of each Term, the Committee of the "Conway" may nominate two Cadets from their training ship, for admission to the College as Cadets of the Royal Navy, subject to their passing a qualifying examination and satisfying the conditions specified below.

Should the Committee, in addition to the authorised number of nominations, wish to recommend any specially desirable candidate, his case will receive consideration.

Each Cadet so nominated will be required to pass an examination showing that he has reached the same general standard of training as is reached by Naval Cadets on leaving the Royal Naval College, Osborne.

3. The Examination will be conducted near the end of each Term, i.e., about April, August and December, at the Royal Naval College, Osborne, and will include tests in practical knowledge of the use of tools and workshop processes as well as papers on the subjects dealt with in the Osborne curriculum.

The Candidates, if successful, will be admitted to the Royal Naval College, Dartmouth, from the beginning of the Term in January, May, or September following the examination.

4. Each Candidate must possess the following qualifications—

(a.) He must be of very good character and conduct, and in all respects fit for entry into H.M. Navy.

(b.) Until the autumn of 1915, he must be more than 14 years 8 months, but not more than 15 years old on the 1st January, 15th May, or 15th September following the examination. After the autumn examination in 1915 (i.e., commencing with the December, 1915 examination) the new rule will come into force, viz.:—that a Cadet from the "Conway" must be more than 15 years and 4 months, but not more than 15 years 8 months of age on the 1st April, 1st August, or 1st December for the examinations in April, August or December.

(c.) He must have served in the training ship 2 years, i.e., 6 terms, there being 3 terms a year.

(d.) He must have spent not less than one fourth (or the equivalent of 6 months) of his 2 years service in practical mechanical work under conditions satisfactory to the Admiralty.

(e.) Before attending the qualifying examination he must pass the medical examination for the Navy, according to the prescribed regulations.

5. The following certificates must be forwarded at the time the candidates are nominated—

(a.) Certificate of birth.

(b.) Do. conduct.

(c.) Do. ability to swim.

(d.) Do. time served in training ship.

(e.) Do. time spent in practical mechanical work, with particulars of training.

The name and address of the parent or guardian must also be supplied.

6. The regulations as to the provision by parents or guardians of the outfit, payment of fees and other expenses, while the Cadet is at Dartmouth, and the private allowance after passing out, will be the same as those with respect to other Naval Cadets.

7. Cadets entering under these regulations will be subject in all respects to the same discipline and conditions of service as other Cadets during their period of training at the R.N. College, Dartmouth, and will be liable to removal for the same causes.

On passing out, they will be treated in the same manner as the other Cadets, and will rank according to the time gained and their position on the list.

Note.—Application for entry in the "Conway" should be made to the Commanding Officer, School Ship "Conway," Rock Ferry, Cheshire.

By command of their Lordships,

Admiralty, Dec., 1913.

W. GRAHAM GREENE.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS.

Note.—The Regulations for the entry and training of Naval Cadets at the Royal Naval Colleges at Osborne and Dartmouth are contained in a separate document which can be obtained on application to the Secretary of the Admiralty, Whitehall, S.W. These regulations are given at pages 856-861. The scheme of entry through Osborne and Dartmouth is the main method by which officers are admitted to the Royal Navy. During the years 1914, 1915 and 1916, however, a supplementary scheme of special admissions has been arranged, which is called the "Special Entry" Scheme. The Regulations regarding this "Special Entry" scheme are contained in the present pamphlet.

1. The number of Naval Cadets to be admitted under the following Regulations will be about thirty in each of the years 1914, 1915 and 1916.

2. Candidates for admission must be not more than 18½ or less than 17½ years of age on the 1st of June of the year in which the examination is held. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W., not later than the 1st April. A form of application to be filled in by the parent or guardian of the candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent, and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand

from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy.

5. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required for Candidates for Naval Cadetships. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. (See page 864.)

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. Particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. (See also Appendix I. attached.)

By arrangement between the Admiralty and the War Office a candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to Supplementary first appointments in the Royal Marines, in which case he must express

definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for Supplementary first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty. (See page 861.)

A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful Candidates will be appointed as Cadets to undergo a course of training for a period of 1½ years. During this period they will be accommodated on board a cruiser, part of the instruction being given on board and part on shore.

On completing this course, and passing out satisfactorily, they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Osborne, but their services in that rank will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about a year more on attaining the rank of Lieutenant. This will be no bar to their advancement according to merit. The same subsequent career will be open to them as to Officers who have entered the Navy through Osborne and Dartmouth.

9. Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

10. Parents or Guardians are required to make a private allowance of 50l. per annum to Cadets from the time they join the Naval Service until they reach the rank of Acting Sub-Lieutenant (namely for a period of about 3 years and 4 months) and thereafter a private allowance at the rate of 20l. a year for the period (usually not exceeding two months) that they remain Acting Sub-Lieutenants with pay at the rate of 3s. 6d. a day before becoming Sub-Lieutenants. On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

11. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 1s. 9d. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 5s. a day. The commencing rate of pay of a Lieutenant, reached after at most two years as Sub-Lieutenant, is 10s. a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 5s. a day.

12. The parent or guardian of every Cadet is required to provide outfit under the regulations in force. The outfit, together with a sextant, costs about £60.

13. All travelling expenses for Cadets are advanced by the Paymaster of the Naval Establishment to which they are attached, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of their Commanding Officer.

14. Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the Ship in which their sons are serving.

15. Cadets may be required to withdraw at any time, if in the opinion of the Lords Commissioners of the Admiralty—

- (1) they fail to obtain a satisfactory standard, or
- (2) their conduct is unsatisfactory, or
- (3) they are considered unsuitable for the Naval Service.

16. It will be open to Officers, after reaching Commissioned rank, to volunteer for service in any one of the special branches, undertaking either Navigation, Gunnery, Torpedo, or Engineering duty.

By Command of Their Lordships,

W. GRAHAM GREENE,

Admiralty, 1913.

OUTFIT.

The outfit required on joining is the same as given on pages 861-862 for a Cadet in the Training Cruiser.

SEXTANT.

Cadets after joining will be required to procure a Sextant. The regulations as to Sextants are given on page 862.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective of vision, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships must possess full normal vision as determined by Snellen's tests, each eye being separately examined, for Candidates for other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must also be able to read D=0.6 of Snellen's test types.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the nasopharynx.

7. Disease of the throat, tongue, palate, or tonsils, many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any defect of the genital organs, or of varicocele when it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect. No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

* *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

REGULATIONS FOR THE SPECIAL ENTRY OF OFFICERS INTO THE ROYAL NAVAL AIR SERVICE.

1. The following regulations are for the admission of candidates from civil life into the Royal Naval Air Service for service for a limited number of years.

2. As a general rule candidates for admission must not be more than 23 nor less than 19 years of age on date of application.

3. Employment in the first instance will be for four years, after which period officers entered under these regulations will pass into the Reserve for a further period of four years' service, unless their term of active service is extended or renewed. On completion of the first year of their engagement they may, if considered suitable, be allowed to extend their original engagement to a total of 6 years' continuous service; after 4 years' service to a total of 8 years; and after 6 years' service to a total of 10 years; or alternatively they may be permitted to renew their engagement on its completion in the ordinary course. The Admiralty reserve the right of offering further continuous service after 10 years, if their Lordships see fit to do so. In all cases active or continuous service will be followed by 4 years' service in the Reserve.

4. The service will consist of employment in connection with any type of aircraft in any part of the world, either ashore or afloat.

5. Candidates selected will be entered as Probationary Flight Sub Lieutenants, Royal Navy, and will be granted commissions when duly qualified.

6. Applications for admission should be made to the Secretary of the Admiralty, Whitehall, S.W. The form of application is to be filled in by the parent or guardian of the candidate, if he is not above the age of 21. These forms may be obtained from the Secretary of the Admiralty.

7. Candidates must be of pure European descent, and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the candidate.

8. No nomination is required.

9. Applicants who satisfy these conditions will be invited to appear before an Air Service Committee, who will interview each candidate, and examine credentials, which will have been furnished beforehand by the candidate. Details of the credentials required will be given in the application form referred to above. They will include reports from the headmaster of the last educational establishment the candidate attended, from persons under whose authority the candidate may have been during the preceding several years, or from persons who are well acquainted with the character of the candidate. The Committee will decide therefrom, on the suitability or otherwise of the candidate with regard to his abilities and general character; and will submit their recommendations to the Lords Commissioners of the Admiralty for decision.

10. Candidates will be required to pass at the same time a medical examination according to the prescribed regulations as to their physical fitness for the Naval Air Service.

11. Every candidate must be in good health and free from any physical defect of body, impediment of speech, defect of vision or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and a good athlete. It should be particularly noted that full normal vision as determined by

PHYSICAL REQUIREMENTS, &c.- ENTRY &c. OFFICERS. 864a

Spellen's test is required for candidates for the Naval Air Service. A memorandum is issued by the Admiralty which gives details of the physical requirements of candidates.

12. The Committee will sit at least twice a year, generally in April and October.

13. A list of selected candidates will be published by the Admiralty.

14. Selected candidates may be required to obtain their Royal Aero Club pilot's certificate at a private school at their own expense. It is required to do so the sum of 75*l.* or such lesser sum expended by them in their tuition, will be repaid them by the Admiralty on their obtaining their certificate. Such payment will not be made until after a reasonable period of probation, and will depend upon a satisfactory report being received from the commanding Officer under whom the officer is serving. If a candidate is permitted to resign within four years of entry he may be required to refund the sum or part of it. Should a candidate fail to obtain his certificate within a reasonable time his name will be removed from the list.

15. Candidates on appointment as Probationary Flight Sub-Lieutenants, Royal Navy, will be appointed to undergo a course at one of the Royal Flying Corps Instructional Establishments.

16. This course will last about four months, and will consist of practical and theoretical instruction in various branches of Airwork. An examination will be held at the end of this course.

17. The candidate, on completion of the school course, will be attached to an Air Station or Cruiser, and will be required to undergo an advanced course in seaplane work or airship work, during which time he will also receive instruction in naval matters, rifle and machine gun drill, seamanship and boat work, and other special subjects connected with the Naval Air Service.

18. On satisfactorily completing the above courses, which will take about a year, officers will be promoted to rank of Flight Lieutenant.

19. Probationary officers may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty—

- (a) they fail to obtain a satisfactory standard;
- (b) their conduct is unsatisfactory;
- (c) they are considered unsuitable for the Royal Naval Air Service.

20. Parents or guardians of officers under the age of 21 must in all cases of permanent change of residence communicate the same to the Admiralty and to the Commanding Officer of the Naval Establishment in which their sons or wards are serving.

21. Any officer who at any time is found to be unsuitable for the duties of the Royal Naval Air Service will be liable to discharge to the Reserve or from the service. This will not necessarily indicate that any blame is attributable to the officer. The special nature of the duties peculiar to the Air Service renders essential a very high standard of mental and physical fitness.

22. *Reserve Service.*—Officers not desirous of completing their active service may, at the discretion of the Admiralty, be permitted to transfer to the Reserve.

23. Officers of the Royal Naval Air Service will be graded in one of the following ranks:—

Flight Sub-Lieutenant with relative rank of Sub-Lieutenant, R.N.

Flight Lieutenant with relative rank of Lieutenant, R.N.

Flight Commander with relative rank of Lieutenant, R.N., over 4 years' seniority.

Squadron Commander (when in command) with relative rank of Lieutenant-Commander.

Wing Commander with relative rank of Commander, R.N.

Wing Captain with relative rank of Captain, R.N.

The rates of pay for the various grades will be:

- Flight Sub-Lieutenant 10*s.* per diem.
- Flight Lieutenant - 12*s.* per diem, and 1*s.* per diem in addition for each year's service as Flight Lieutenant. (Max. 16*s.*)
- Flight Commander - 17*s.* per diem, and 2*s.* per diem in addition for each year's service as Flight Commander. (Max. 23*s.*)
- Squadron Commander 17*s.* 6*d.* per diem.
- Wing Commander - 2*l.* per diem.
- Wing Captain - - 2*l.* 10*s.* per diem.

24. Flying pay for Squadron Commanders, Flight Commanders, Flight Lieutenants, and Flight Sub-Lieutenants 8*s.* per diem in addition to above rates.

25. Whilst undergoing the first four months' course of their instruction officers will receive half Flying Pay at the above rate in addition to the pay of their flying rank.

26. Whilst serving in the Royal Naval Air Service officers will rank and take command according to their grade and the date of their advancement to that grade.

27. REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare:—

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son either of natural born British subjects, or of parents naturalised in the United Kingdom.

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held, any commission or appointment in the public services.

(6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (See heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (See under the heading Examinations.) At the end of the courses the Acting Surgeon will be examined, and, after he has passed, will be given a commission as Surgeon in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list, but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeons. Their names will then be placed in the Official Navy Lists. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeons' Course," and will be required to obtain qualifying marks. Surgeons entered without competition will take seniority next after the last surgeon entered at the same time by competition.

15. Surgeons on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeons under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress, omitting white trousers, sword and belt. On receiving commissions as Surgeons they must provide themselves with the complete outfit of uniform prescribed by the regulations.

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

Post-graduate Instruction and Examination for the Rank of Staff Surgeon.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

- (i) A five months' course prior to advancement to Staff Surgeon;

(ii) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (i), which is compulsory for all Surgeons, will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Staff Surgeon. The course is to be taken when a Surgeon has between 4½ and 6½ years' seniority, and as near the date when the latter period is completed as the exigencies of the service admit. The courses will take place twice a year.

The subjects of study and examination will be—

A Surgeon who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeons going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (ii) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August, 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed

to withdraw from the Service after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—*see below*.

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

- (i) He will be granted a gratuity of £500 on passing into the Reserve.
- (ii) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.
- (iii) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 5 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years served under the conditions referred to in (iii), by renouncing his retaining fee for his last 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 5 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 17s. a day and allowances, to which they would have been entitled after 4 years' service on the Active List.

Complete copies of the Regulations for the entry of Medical Officers will be forwarded on application.

Each unmarried child, under the age of 21, one-third of the Gratuity paid to the widow.

These Pensions and Gratuities can be given only in cases of injury or death caused by acts of the enemy, and not on account of injury, disability or death, which may result from carrying on the ordinary duties of the Service.

3. Candidates will be medically examined at the Admiralty, 7, Whitehall Place, London, or at a Naval Port or Establishment or Recruiting Office, or on one of His Majesty's Ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical Examination cannot produce certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

CONSENT OF PARENT ON ENTRY.

4. A successful Candidate on entering as Boy Artificer must produce the consent, in writing, of his parent or guardian, or nearest relative, to his entering the Royal Navy and engaging to serve for 12 years' continuous service from the age of 16.

5. Candidates are admitted as follows:—

- (a) By open competition; or
- (b) On the recommendation of certain Naval Commanders-in-Chief, on account of Service Claims; or
- (c) By competition, limited to candidates recommended by certain Educational Authorities.

(a) *Entry by Open Competition.*

6. An open competitive examination is held in April each year (for entry in the July following), which is conducted by the Civil Service Commissioners at the same time and in the same manner as the examination for Dockyard Apprentices.

7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Boy Artificers, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year, and *care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 1st March following* (or if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

9. Evidence of age and character will not be required before examination, but successful candidates will not be eligible for appointment unless they satisfy the Admiralty on these points.

10. Successful Candidates will be required to pass a Medical Examination as soon as possible after the result of the Competitive examination is known.

11. The Examination held by the Civil Service Commissioners takes place in London and Edinburgh, as well as at the several Dockyards, in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. A fee of 2s. 6d. will be required from each Candidate attending the examination.

(b) *Candidates with Service Claims.*

15. A limited number of Candidates, not exceeding 20 annually, will be entered in July after passing a qualifying examination in April in the subjects laid down for competitive Candidates. Candidates will be nominated by the Lords Commissioners of the Admiralty from the list of Candidates recommended by the Admirals commanding the Home Ports (including Queenstown) and Fleets and Stations abroad, the Admiral Commanding Coast Guard and Reserves and the Adjutant General, Royal Marines.

16. These Candidates will be selected from the sons of Warrant Officers, Chief Petty Officers, Petty Officers (N.S.) and 1st Class Petty Officers (O.S.) of the Royal Navy; Warrant Officers and Non-Commissioned Officers, of or above the rank of Sergeant, of the Royal Marines; Established Writers of the Civil Establishments; Draughtsmen and skilled Artisans of the Dockyards, not below the rank of Charge-man.

17. Parents, if serving, should apply for a recommendation for an appointment for their sons, through the Captain of their Ship, who will transmit the request to the Commander-in-Chief of the Station; or, if not serving, they should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Adjutant-General, Royal Marines. All applications should be made in good time for consideration, in order that the necessary particulars of the Candidates recommended may reach the Admiralty by the 1st February.

In all cases a full statement of the father's services must be given.

In exceptional circumstances men holding the ranks mentioned in par. 16 may apply for a recommendation for boys to whom they stand in the position of guardian. Before forwarding any such recommendation the Commander-in-Chief should obtain independent and satisfactory evidence that the boy has been brought up by his guardian for 5 years or more. This evidence should be forwarded with the recommendation.

(c) *Candidates recommended by Educational Authorities.*

18. A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by certain Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type; but if in any case an Educational Authority is fully satisfied that the candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examina-

tion papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry Boy Artificers will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth or Devonport, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Establishments, and will be subject in all respects to Naval Discipline. Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays. To Boys proceeding on leave, return tickets, covering the period of leave, are issued at reduced fares by the railway authorities.

ALLOTMENT OF TRADES.

21. On completion of three months' training, Boy Artificers are allotted to one of the three following trades: (1) Fitter and Turner; (2) Boilermaker and Smith combined; (3) Copper-smith and moulder combined. The number to be trained in each trade depends upon the requirements of H.M. Service.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

PART I.

23. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

PART II.

will comprise Applied Mechanics, Workshop Appliances, Electricity, Marine Engines and Boilers, and Mechanical Drawing.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

24. Boy Artificers who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention, when they will be re-examined after a further period of training.

25. Those who qualify will be rated Engine-Room Artificer, 5th Class, and sent to seagoing ships for a period of practical sea experience.

26. On completion of this training, they may be rated Acting Engine-Room Artificer 4th Class, if recommended by the Engineer Officer and approved by the Captain of their ship, after which they will follow on the lines of other Engine-Room Artificers of the Royal Navy, as laid down in the King's Regulations.

27. The following are the daily rates of pay allowed to Boy Artificers, each rate being for seven days a week:—

First year	6d.
Second year	7d.
Third year	8d.
Over three years	9d.

The advancement from one rate of pay to the next above will be dependent on Good Conduct and Ability.

On being rated:—

Engine-Room Artificer, 5th Class	3s. 0d.
Acting Engine-Room Artificer 4th Class	5s. 6d.

The pay and prospects of Engine-room Artificers, 4th Class, entered under this system, will be the same as for Engine Room Artificers entered direct from the shore.

Further details respecting the entry and training of Boy Artificers in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary to the Admiralty Whitehall, London, S.W.

2. Candidates will not be required to pass any qualifying examination, but they must be certified by the Admiralty Medical Authorities to be physically fit for service in the Navy. Medical examinations are held in London and at certain other centres, at one of which candidates selected for entry will be directed to attend.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March following (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an apprentice at more than one Dockyard.

3. The Candidates, who must be the sons of British subjects, must be not less than Fourteen nor more than Sixteen years of age on the first day of May in the year in which they are examined.† Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Admiralty on these points.

4. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer. His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

The medical examination of the Successful Candidates will be held as soon as possible after the result of the Educational examination is known.

Candidates will be medically examined at the Royal Naval Rendezvous, 7 Whitehall Place, London, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical examination cannot produce Certificates to the satisfaction of the Examining officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

5. The Educational Examination will be held by the Civil Service Commissioners in London and Edinburgh, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the *Secretary, Civil Service Commission, Burlington Gardens, London, W.*, on or after the 1st January in each year. A fee of 2s. 6d. will be required from each Candidate attending the Examination.

6. The Subjects of Examination and the maximum number of marks obtainable in each subject are as follows:—

Handwriting and Spelling will be taken into account in the assignment of marks in English and other subjects.

† Candidates whose Fourteenth Birthday Anniversary falls on 1st May, will be eligible, but those whose Sixteenth Birthday Anniversary falls on 1st May will not be eligible.

7. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

8. Candidates will be informed by letter from the Civil Service Commission of the Result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 6 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

9. Apprentices will be bound by indentures to serve for six years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the indenture for the support, &c., of the Apprentice during his apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 12.

10. On the expiration of their period of service Apprentices will receive a certificate as to their character and conduct, the progress they have made in their trade, and in the knowledge of the subjects prescribed for Dockyard Apprentices. Should this certificate be in all respects satisfactory, they will, subject to the approval of the Superintendent, be entered for a period of two years as journeymen, and, subject to their good behaviour, will not under ordinary circumstances be discharged during that time; eventually they will be merged with the general body of hired workmen in the respective trades.

11. The pay of Apprentices serving in the Dockyards is as follows:—

Board Wages will be allowed to Apprentices only in special cases of distress, and when the distress is due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty; when granted, board wages will make the total weekly pay up to 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

Boys who successfully pass the usual medical and Civil Service Educational Examination for Dockyard Apprentice, are also eligible for entry in the Royal Navy for training in the Dockyards as Naval Shipwrights. Copies of the Regulations may be obtained on application to the Secretary of the Admiralty.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1819, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October, 1873, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of cohabitation.

v. If her husband died in the service of a Foreign state, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however,

grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The Pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—
Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

907 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

The Widow of a Mate, Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 2 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 2 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter, Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. Widows of Marine Officers.

(a) Officers retired before 29 June, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. Widows and Children of Officers killed in Action. Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within two years shall be considered as persons slain, viz:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-pay Allowances, except Table Money, shall be included.

15. In the case of an Officer killed in action, or dying from wounds received in action within two years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

16. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy, and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These Allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support, through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within two years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 300*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

A Naval Aide-de-Camp to His Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half-pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired; but, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February, 1870, Section X. para. 7, shall, in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Captains, Royal Navy, shall be eligible for the award of Good Service Pensions while on the Active List only; and shall forfeit them on promotion to be Flag Officers on the Active List.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 1*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer-Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

A General Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired, except as provided in the following clause:—

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of £950 a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but they are eligible for the Good Service Pensions for General Officers.

Colonels and Lieutenant-Colonels shall be eligible for the award of Good Service Pensions while on the Active List only, and shall forfeit them on promotion to be General Officers on the Active List.

Medical Officers shall be eligible for the award of Good Service Pensions, whether on the Active or Retired Lists.

A Medical Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

NAVAL AND GREENWICH HOSPITAL PENSIONS (OFFICERS).

Naval and Greenwich Hospital Pensions are established for the purpose of affording relief to Retired Officers; and are awarded to such Retired Officers as may be, in the opinion of the Admiralty, most deserving, provided they have served the periods of Commissioned or Warranted Time about, laid down in Article 1928 of the King's Regulations and Admiralty Instructions.

Officers who have received severe wounds in action or disabling hurts on actual service, or Officers retired for physical unfitness which arose in, and is directly due to the Service are exempt from the rules respecting time of service.

At the Court at Windsor,
The 3rd day of March, 1894.

Present,

The QUEEN's most Excellent Majesty in Council.
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd day of February, 1894, in the words following, viz:—

"Whereas by the Naval Knights of Windsor Dissolution Act, 1882, it is enacted (among other things) that the Admiralty shall after deducting the necessary and proper expenses of the management of the property transferred to the Admiralty by virtue of that Act, apply the income of the property in granting such Pensions to Retired Officers of the rank of Lieutenant in the Navy, or to Officers of the Navy who have retired from the Active List of Lieutenants with the rank of Commander in the Navy, and under such conditions as Your Majesty may from time to time by Order in Council direct, and that such Pensions shall be distinguished as Travers Pensions:

"And whereas it appears to us that as funds are now available it is desirable to establish such Pensions:

"We would humbly beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to authorize us to establish

such number of Pensions of £75 per annum each as the available funds accruing from the income of the property transferred to the Admiralty under the said Act may admit of:

"We further beg leave to recommend to Your Majesty:—

"(1.) That the Pensions so established may be awarded at our discretion to the Senior Pension holders on the Greenwich Hospital and Naval Pension List who are retired Officers of the rank of Lieutenant in the Navy, or Officers of the Navy who have retired from the Active List of Lieutenants with the rank of Commander, or to such other Retired Officers of these ranks as may appear to us to be best qualified to receive them, having regard to their long and faithful services:

(b) Ten of the crew must be Officers and men belonging to the Royal Naval Reserve. Men belonging to the Royal Fleet Reserve, Naval Pensioners, and men holding Royal Naval Reserve Deferred Pension Certificates, may be included in the number specified.

(c) Before hoisting the Blue Ensign the Officer Commanding the Ship must be provided with an Admiralty Warrant.

(d) The fact that the Commanding Officer holds a Warrant authorising him to hoist the Blue Ensign must be noted on the Ship's Articles of Agreement.

2. Commanding Officers failing to fulfil the above conditions, unless such failure be due to death or other circumstances over which they have no control, will no longer be entitled to hoist the Blue Ensign.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. This restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.

5. Applications for permission to wear the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVII.—Assistant Paymasters for Service in the Royal Navy, Under Order in Council of 7th March, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1893" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. Ships.

NOTE.—Acting Assistant Paymasters who are Pursers or Assistant Pursers in the Mercantile Marine will not be required to attend the Instructional Classes, but must perform a minimum of 21 days' training each year until confirmed.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(55a.) Assistant Paymasters (confirmed) will be allowed to volunteer for one year's service afloat, when they will receive pay at the rate of 10s. a day, equipment allowance of £15 and will be eligible for a bonus of £25 on termination of appointment (conditional on good conduct and service).

(56.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy. Those who have been confirmed in rank will, on completing four years' seniority, rank with, but after, Assistant Paymasters of the Royal Navy of four years' seniority.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of 30s. for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s.

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Assistant Paymasters, R.N.R., at the discretion of the Admiralty.

4. Assistant Paymasters, R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

2. In the case of Military Branch Officers, they must have gone through Naval Training in the Fleet for a period of 18 months and have attained the rank of Lieutenant, and Engineer Officers must have undergone an Instructional Course at Home Dockyards and have attained the rank of Engineer R.N.R.

sioners of the Admiralty, be specially granted the Decoration.

4. Staff Paymasters and Paymasters R.N.R. who have rendered special service in promoting the interests of the Reserve may, at the discretion of the Lords Commissioners of the Admiralty, be granted the Decoration provided they have completed 20 years' service including time with Honorary Rank.

5. The letters "R.D." will be inserted in the Navy List against the names of Officers on whom the Decoration is conferred.

Note.—Officers eligible under these Regulations for the award of the Decoration should forward their application as laid down in Sec. VI. of the regulations for the Royal Naval Reserve given in the preceeding pages.

His Majesty the King has been graciously pleased to approve of the institution of a Decoration for Commissioned Officers of the Royal Naval Volunteer Reserve, under the following regulations:—

1. Volunteer Officers having 20 years' service (which need not be continuous) may be granted a decoration designated "The Volunteer Officers' Decoration." Honorary Service will not be allowed to count. The following will be allowed to reckon towards the 20 years.

(a.) All service over 17 years of age as a Midshipman and all commissioned service in the Royal Naval Volunteer Reserve or in the disbanded Royal Naval Artillery Volunteers, and all commissioned service in the Army Volunteer or Territorial Force.

(b.) Half the time served as a Petty Officer or man of the Royal Naval Volunteer Reserve, in the disbanded Royal Naval Artillery Volunteers, or in the ranks of the Army Volunteer or Territorial Force, and

(c.) All previous service qualifying for the Colonial Auxiliary Force Officers' Decoration, provided that at least 10 years qualifying service has been spent in the Royal Naval Volunteer Reserve or Royal Naval Artillery Volunteers or the Army Volunteer or Territorial Force of Great Britain.

2. Applications for this Decoration are to be made in writing by the Commanding Officer of each Division, and each case is to be supported by a statement of the applicant's service on Form R.N.V. 11. The Decoration being granted as a reward for good and long services Commanding Officers should in each case state in general terms the reasons which, in their opinion, give the applicant a claim to receive the decoration. Commanding Officers will forward their recommendations to the Admiral Commanding Coast Guard and Reserves for the consideration of the Admiralty, and the decoration if awarded will be issued from the branch of the two services in which the Officer shall have served the greater portion of his last ten years of qualifying service.

3. The letters "V.D." will be inserted in the Navy List against the name of the Officer to whom the decoration is given.

4. An Officer who is awarded the Volunteer Officers' Decoration while he is in possession of a Long Service Medal will not be required to forfeit the latter, but will not be allowed to wear it in addition to the decoration.

2. The form of application (R.V. 74) which provides for a record and certificate of efficient service should be submitted by the Registrar of Royal Naval Reserve of the man's Home Port to the Registrar-General, who will complete and forward the same to the Admiral Commanding Coast Guard and Reserves, who will determine the validity, or otherwise, of any claim for the Medal.

THE VICTORIA CROSS.

VICTORIA C.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of any Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged;

and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

***Fourteenthly.**—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

***Under Her late Majesty's Order in Council of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.**

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross; and whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's Command,
HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

EDWARD R. & I.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following Rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue ribbon edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may

be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing of sick and wounded soldiers and sailors of Our Army and Navy.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, or other persons engaged in nursing duties, whether subjects or foreign persons who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom We may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at Buckingham Palace, this eighth day of September, one thousand nine hundred and nine, in the ninth year of Our Reign.

By His Majesty's Command,

R. B. HALDANE.

MEDALS, ANNUITIES, AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of the Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman or Marine, who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

DISTINGUISHED SERVICE ORDER.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept:

Firstly. It is ordained, that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly. It is ordained that the Order shall consist of the Sovereign, and of such members or Companions as We, Our Heirs or Successors, shall appoint.

Thirdly. It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fourthly. It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces, or Marines, or Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy or Army, the holder of which is entitled to Honorary or relative Navy or Army rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Sen or Naval Officer Commanding a Squadron or detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in Despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that the decoration of this Order shall be and shall be worn as is hereinafter set forth.

Eighthly. It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly. It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. He shall attend to the Service of the Order, and shall execute such directions as he may receive from Our Principal Secretary of State for War.

Tenthly. It is ordained that this Order shall rank next to and immediately after Our Order of the Indian Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedence next to and immediately after the Companions of Our said Order of the Indian Empire, and shall rank among themselves according to the dates of their respective denominations.

Eleventhly. It is ordained that the Badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath and on a similar red ground, Our Imperial and Royal cypher V.R.I., shall be suspended from the left breast by a red riband edged blue, of one inch in width.

Twelfthly. It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly. We reserve to Ourselves, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Reign, and in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting:

Whereas Her late Majesty, Our Beloved Mother, Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her reign, did institute and create a new naval and military order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was, among other things, ordained that the said Order should rank next to, and immediately after, Our Order of the Indian Empire, and that the badge of the Order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal Cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: Firstly, that the Distinguished Service Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the Companions thereof shall, in all places and assemblies whatsoever, have place and precedence next to, and immediately after, the members of Our said Royal Victorian Order, and shall rank among themselves according to the dates of their respective nominations. Secondly, that the badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel, enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath, and on a similar red ground, Our Imperial and Royal Cypher, E.R.I., shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

Given at Our Court at St. James's this twenty-fourth day of July, in the second year of Our reign, and in the year of Our Lord one thousand nine hundred and two.

By His Majesty's Command,
ST. JOHN BRODRICK.

CONSPICUOUS SERVICE CROSS.

At the Court of St. James's,

The 15th day of June, 1901.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day June 1901, in the words following, viz.:—

"Whereas we are of opinion that there should exist some means of recognising Distinguished Service before the Enemy on the part of Warrant Officers or Subordinate Officers of Your Majesty's Fleet, who by reason of not holding a Commission in the Royal Navy, are not eligible for appointment to any existing Order or Decoration:

"We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to institute a Decoration to be designated the Conspicuous Service Cross, and to consist of a Silver Cross, with the reverse side plain, but having on the obverse side in the centre Your Majesty's Imperial and Royal Cypher, E.R.I., surmounted by the Imperial Crown.

"We would beg leave to recommend to Your Majesty that this Decoration be awarded for

meritorious or distinguished services before the Enemy performed by Warrant Officers, or Acting Warrant Officers, or by subordinate Officers of Your Majesty's Fleet: and that no person shall be nominated thereto unless his services shall have been marked by the especial mention of his name in despatches by the Admiral or Senior Naval or Military Officer Commanding the Squadron or detached Force.

"The award of this Decoration to carry with it the right to have the letters C.S.C., appended to the Officer's name.

"We would submit further that the names of those upon whom Your Majesty may be pleased to confer this Decoration shall be published in the London Gazette, and a registry thereof kept in the Office of the Lords Commissioners of the Admiralty."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

A. W. FITZROY.

THE ALBERT MEDAL.

WARRANT under His Majesty's Royal Sign Manual amending and consolidating the Royal Warrants relating to the ALBERT MEDAL.

EDWARD R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, To all to whom these Presents shall come, Greeting:

Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from the perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under the Royal Sign Manual, bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, institute and create for Herself, Her Heirs, and Successors, as a mark of Royal Approval of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

And whereas since the institution of these Decorations under the Warrants above mentioned, amending Warrants bearing date respectively the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, have been given under the Sign Manual, and it is Our Pleasure still further to amend the Rules governing the award of the Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions.

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the said Decorations, We are graciously pleased to make, ordain and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

II. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea" shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the London Gazette, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class" when conferred for gallantry in saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at sea, or other peril other than perils of the sea, have

endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State of the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations whether awarded for Gallantry in Saving Life at Sea, or on Land.

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that "The Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decorations shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1866, the 12th April, 1867, the 30th April, 1877, the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904 are hereby repealed.

Given at Our Court at Saint James's, this fifth day of June, one thousand nine hundred and five in the fifth year of Our Reign.

By His Majesty's Command.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal). If he should consider him deserving thereof from his invariably very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity the case of any man

who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article notwithstanding anything he may have done or any character which may have been awarded to him except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity:—

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as
 Chief and First Class Petty Officers
 (OS) or Petty Officers (NS) for not less
 than 10 years 20

Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years 15

Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years* subsequent service in that capacity .. 10

Leading Seaman, having served as such for not less than five years 7

Able Seamen, and others 5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1886.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix IV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a) He must have served for 15 years with continuous "Very Good" character,* and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good," on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(b) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 328 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible

for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalidated before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

	£	s.	d.
To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	2	0	0

„ 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such* ..	1	0	0

until the maximum is reached, which will be, for a—

---	----	---	---

Leading Seaman, except as above ..	7	10	0
------------------------------------	---	----	---

Able Seaman ..	5	0	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal

* In the case of Ratings who are required to pass a qualifying examination for advancement to Petty Officer, this privilege is not to apply to any time served prior to passing the examination.

being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5s. will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1948, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239a).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1934, Clause 4, will not be debared from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good"

character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

2. To entitle a Marine to a Medal:—

- a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

4. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 10 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1l. a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1l. for each completed year that he has served since the Medal was awarded or restored.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will still claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5s., will awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. 22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either

before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant, and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

ADMIRALTY, June 1903.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913.)

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expense incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion when not employed.

If called up for Active Service, Officers on this list receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

	£
Captains and Commanders and Officers of corresponding relative rank	50
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank.	40
Sub-Lieutenants and Officers of corresponding relative rank	30

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the highest rank, and those not so promoted the rate they were receiving when last on Full Pay.

On discharge after being called up for Active Service Officers will be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Emergency Officers voluntarily re-employed (e.g., during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repaid to the same Officer within a period of five years:—

	£ s. d.
To all Officers below the rank of Lieutenant	9 0 0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12 10 0
To Commanders or Officers of corresponding rank	14 10 0

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

- (a) The pay is the same as would be given if called out during war or emergency, except the Bonus.
- (b) Travelling expenses of Officers attending the Courses are allowed.
- (c) Plain clothes may be worn, and no allowance for outfit is given.
- (d) Accommodation, when available, will be provided if desired.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

* Except in the case of Sub-Lieutenants who are eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 721.

REGULATIONS AFFECTING OFFICERS ON THE SUPPLEMENTARY LIST ENTERED UNDER ORDERS IN COUNCIL OF 29TH JUNE, 1895, AND 9TH AUGUST, 1898.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

3. Pensions for Hurts and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions,

as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they

would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the

Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions,

and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, see p. 961.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedence of Naval and Military Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.
- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.
- c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut. Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

PRIZE MONEY.

PROCLAMATION.*

VICTORIA, R.

WHEREAS by Our Order in Council of this day's date We were graciously pleased to annul, from and after the thirty-first day of October next, our Royal Proclamation of the third day of August one thousand eight hundred and eighty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:-

That the flag officer or officers shall have one-third part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:-

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures

seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:-

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the sanction of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order

* Amended by Order in Council dated 28th August, 1914 (vide page 954).

GOD SAVE THE QUEEN.

At the Court at Buckingham Palace.

The 26th day of August, 1914.

Present:—

The KING'S Most Excellent Majesty in Council.
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 26th day of August, 1914, in the words following, viz:—

"Whereas Her late Majesty (Queen Victoria) was graciously pleased by Her Royal Proclamation of the 11th day of September, 1800, to regulate, according to the scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also, of the awards for all salvage granted to the Crews of Your Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances:

"And whereas we are of opinion that the conditions governing the distribution of the proceeds of prizes captured from the enemy when such proceeds are granted by Your Majesty to the Officers and Men of Your Majesty's Fleet, require modification to bring them into accord with modern conditions:

"And whereas it is intended that in lieu of the system of distribution of Prize Money described in the above mentioned proclamation there should be substituted, under regulations and conditions to be hereafter announced, a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Your Majesty's Naval Forces:

"We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to cancel so much of the above-mentioned Proclamation as relates to the distribution of the net proceeds of Prizes captured from the enemy."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SCHEDULE.

A PROCLAMATION.

WHEREAS by an Act passed in the fifty-ninth year of the Reign of His late Majesty King George the third Chapter 25 intitled "An Act to enable His Majesty to fix a rate and direct the disposal of Freight money for the conveyance of Specie and Jewels on board His Majesty's Ships and Vessels" it is enacted that from and after the eighth day of April one thousand eight hundred and nineteen all freight money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty his heirs and successors of Gold Silver and Jewels or of any other article which may be by special order received on board the said Ships and Vessels and for which freight shall be payable shall be paid at such rate and distributed and applied for such purposes and divided to and amongst such persons in such proportions and after such manner as His Majesty His Heirs and Successors shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that purpose; and that no freight money or reward shall thereafter be demanded, paid, received, or detained by to or for the use or on account of any person or persons

for the Conveyance on board of any of the Ships and Vessels of His Majesty, His Heirs or Successors, of any Gold, Silver, or Jewels, or any other article which may be by Special order received on board the said Ship or Vessel, and for which freight shall be payable other than for the purposes, and by the person or persons, in the proportion, at the rates, and in the manner so to be paid and allowed by Proclamation or Proclamations; and that all bargains, contracts, covenants, and agreements made or entered into for the payment of any freight money, for or in the name or on the account of freight for the conveyance of gold, silver or jewels, or other articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any rate, or for any other purpose, or by or to any other person or persons or in any other manner or proportions than as aforesaid shall be and the same are by the said Act declared to be utterly void.

And whereas by a Royal Proclamation made and issued by His Royal Highness the then Prince Regent in the name and on the behalf of His late Majesty King George the third dated the twelfth day of July one thousand eight hundred and nineteen rates were fixed at which freight should be paid for public and for private treasure respectively and in peace or war and for different voyages as in the said Royal Proclamation were specified.

And whereas by a Royal Proclamation by His late Majesty King William the Fourth dated the twenty-third day of April one thousand eight hundred and thirty one the rates of freight fixed by the aforesaid Royal Proclamation dated twelfth July one thousand eight hundred and nineteen were altered.

And whereas by a Royal Proclamation by His late Majesty King William the Fourth dated eighth June one thousand eight hundred and thirty one a rate of freight was fixed for the conveyance of gold and silver on board His Majesty's Packets.

And whereas by Our Order in Council dated eighth March one thousand eight hundred and thirty eight We were graciously pleased to authorise our Commissioners for executing the Office of Lord High Admiral of Our United Kingdom in any special cases which might occur to fix a less sum for the conveyance of Specie and Jewels than is directed by the Royal Proclamations dated respectively twelfth July one thousand eight hundred and nineteen, twenty third April one thousand eight hundred and thirty one, and eighth June one thousand eight hundred and thirty one.

And whereas We have thought fit by and with the advice of Our Privy Council to revoke and annul the aforesaid Royal Proclamations and Order in Council subject as hereinafter stated. Now therefore We do hereby revoke and annul the said Royal Proclamations and Order in Council as from and after the thirtieth day of September one thousand eight hundred and eighty eight save and except as to any treasure whether gold, silver, jewels, or other articles which may have been actually shipped before the first day of October one thousand eight hundred and eighty eight, and save and except further than the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last-named date. And We do by this our Royal Proclamation by and with the advice of Our Privy Council order and direct that on and after the first day of October one thousand eight hundred and eighty eight the rate at which freight shall be paid for the conveyance on board any of Our Ships or Vessels of treasure belonging to parties other than the Crown whether gold, silver, jewels, or other articles which may by special order be received on board any of Our Ships or Vessels shall be one p cent.

And We do hereby further order and direct that the whole amount of the said freight, when received, shall be divided into four parts, and subject to the proviso hereinafter mentioned, distributed as follows, that is to say: one fourth to the Flag Officer if any or Flag Officers if more than one on the Station or in the Squadron to which the Ship receiving treasure on board may belong; two fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his receipt or sign the bill of lading for the treasure; and one fourth to Greenwich Hospital, for the use of that institution.

That when there shall be more than one Flag Officer on a Station, the said one fourth part shall be divided and distributed amongst the several Flag Officers on the Station, in the following proportions, viz. —

If there be but two Flag Officers, the Chief shall have two third parts of the said one fourth, and the other shall have the remaining third part; but if the number of Flag Officers be more than two, the Chief shall have only one half, and the other half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or the Ship or Vessel be not under the orders of a Flag Officer then that the Captain or Officer Commanding the Ship or Vessel shall have three fourths, and Greenwich Hospital one fourth.

Provided that such Flag Officer or Flag Officers shall not be entitled to claim his or their respective share or shares in such freight money, otherwise than on condition that he or they shall, before the gold, silver, jewels, treasure, or other articles, as aforesaid shall be put on board such Ship or Vessel, have entered or caused to be entered in a public order book on board the Ship of the Commander-in-Chief or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs or delivered to the Captain or Officer commanding such ship or vessel, or in case of a Junior Flag Officer absent from the Commander-in-Chief, unless such Junior Flag Officer shall have delivered to the Commander-in-Chief to be entered in the said order book, an engagement in writing, in form or to the effect following: —

I, A. B., an desirous of partaking in the advantages, with the risks attendant thereon, arising out of the conveyance of treasure under a contract of affreightment in any of the ships or vessels in the squadron for in the particular ship, as the case may be. And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such ships or vessels respectively for, ship or vessel, as the case may be, such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the share or interest in the said freight money to which I may be entitled.

And that such share or shares of the Flag Officer or Flag Officers as aforesaid, to which he or they shall not be entitled under the conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage which may happen to the gold, silver, jewels, or other articles so received for conveyance and which may have been made good or satisfied by the Captain or Officer commanding the ship exceeding the total freight money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in cases in which the said loss so made good or satisfied may not amount to the whole of the freight money, Greenwich Hospital shall be entitled only to its proportion of the balance of freight money over and above such loss or damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the rules of the service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to freight, be also considered as Flag Officers when in command of a Station

That when the Captain or Commander, or his agent shall have received the freight, he shall pay over to the Senior Flag Officer if any and to the Director of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur through his neglect or delay in receiving or paying the same; but if there be any question or difficulty as to the payment he is to apportion the Senior Flag Officer if any and the Director of Greenwich Hospital respectively of the causes of such default.

That the Captain or Officer commanding, on receiving any treasure on board any of Our Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer and in every case to the Director of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro rata itineris, among the Flag Officers and Captains who may be entitled to share therein, according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution any party interested therein may refer the same to the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom and the decision or Orders of the said Commissioners or any two of them, as to such division or distribution, shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid received on board flag ships, or any other of Our ships and vessels, and to prevent any private agreements inconsistent with these regulations, all Flag or other Officers are expressly forbidden to receive on board any of Our ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition as to freight or the payment or distribution thereof different from these regulations, or to take, demand or receive any sums other than those established by these regulations. Any question, as to freight, loss, damage, or any share thereof, which may arise between any Officers, or between any Officer or Officers, and the Directors of Greenwich Hospital, and upon which they do not agree, shall be submitted to, and decided by, the said Commissioners or any two of them, and their determination shall be final and conclusive upon all persons interested.

That these rules and regulations shall be in force on and after the first day of October aforesaid and shall be thenceforth taken and understood to be the established rule and custom of Our Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

GIVEN Under Our Great Seal at Osborne House, Isle of Wight, this tenth day of August, in the year of Our Lord One thousand eight hundred and eighty eight and in the fifty second year of Our reign.

GOD SAVE THE QUEEN.

NOTE.—Under former Proclamations the Liability of the Commanding Officer in the event of any loss of the treasure was restricted to three fourths of the amount thereof corresponding to the amount of freight received by him and the Flag. If it be desired to preserve this limitation, which however will be matter of bargain with the Shippers of the treasure, the following words should be added to the usual form of Bill of Lading: —

And it is hereby stipulated and agreed between the said and the Shipper and Owners and consignees of the said that in case of loss or damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be held liable or responsible for more than Three-fourths of the amount of such Loss or Damage.
